REQUEST FOR RECONSIDERATION UNDER 37 CFR §1.116

Sir:

In response to the Office Action mailed on February 15, 2007, and further in view of the Examiner's comments in the Advisory Action mailed on May 3, 2007, for the above-identified application, please consider the following:

The Current Claims are reflected in the listing of claims which begins on page 2 of this paper. There are <u>no</u> claim amendments herein but, since the previous Amendment Under 37 CFR §1.116 was submitted with claim amendments attempting to find wording to address the non-statutory subject matter rejection and was not entered because the Examiner considered that a new issue was raised, a clean version of the claims is included herein for common understanding that the originally-filed claims are intended by Applicants, in view of the Examiner's comments in the Advisory Action mailed on May 3, 2007, that the non-statutory subject matter rejection would be withdrawn.

Remarks begin on page 11 of this paper.
